

**COMMENTS\***

On September 17th, 2016 Veteran's Grove celebrated one year remembering the vets for their service to our great country. **THANK YOU!**

With the generous support from our sponsors, we have created a wonderful Veteran's Grove. Here, vets and their friends and families, and all visitors can reflect, relax, relate, and say "Thank You for your service."

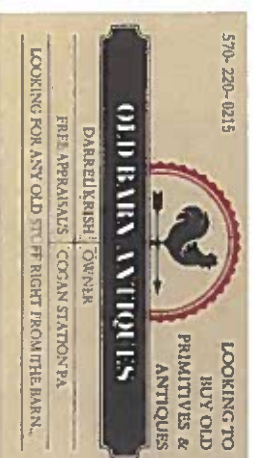

The Grove provides a grill for guests to cook-out or for event planning, you may call to reserve the area at (570) 971-0931 (no alcohol is permitted).

*We welcome comments for input contact*
